

8. Addictions and alcohol

If you suffer from drugs or alcohol addictions and you need help, you can access Ser.D

A. What are Ser.D?

Addiction Services “Servizi per le Dipendenze patologiche” (Ser.D) are public services dealing with prevention, treatment and rehabilitation of people addicted to legal substances (like alcohol, nicotine), illegal substances or suffering from other disorders, like pathological gambling, compulsive shopping, Internet addiction.

Ser.D offer consultations to the families of people with behavioural or substance-related addictions.
